Troy's 1953 football squad showed a very fine, aggressive spirit. Combining fine talent with good coaching the Colts bounced back from a disastrous 1952 season.

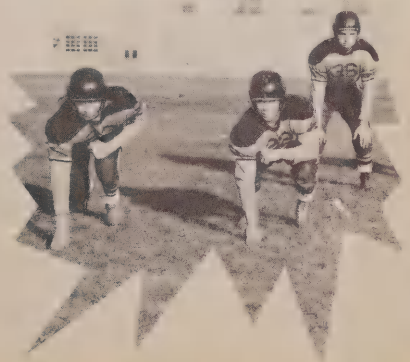

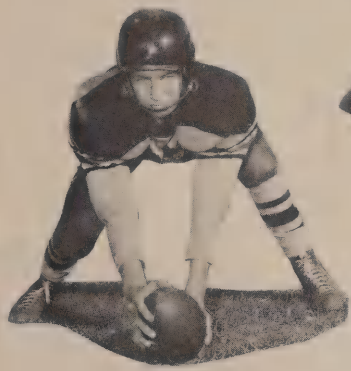

A big, hustling line and a fast, plunging backfield overrode several bad breaks and emerged with a 4-3-1 season record. The losses to Avondale and Dexter could very easily have entered the victory side of the ledger.

Varsity Basketball

Troy High's first "Oakland B" championship rests in the trophy case due to the efforts of the 1953-54 basketball team. Going undefeated through the league campaign, the Colts also posted a fine overall mark of 13-3.

The victories over powerful Roseville and the record smashing conquest of Clawson highlighted the league play. Out of the league the most sensational game was a double-overtime loss to Southfield.

While compiling the best record in Troy history they amassed an amazing total of statistics. In 16 games they ran up a total of 876 points for a 55 point per game average. In the meantime they held their opposition to 636 and a 40 point norm.

That championship trophy looks mighty good in the otherwise barren case. Congratulations to Coach Goodwin and the team!

Junior High Basketball

Fred Bernhardt: Fred, a 6'-2'' senior forward, became a valuable varsity member in his second year of competition basketball. Showing lots of possibilities, with more experience he could have been even better, for a late start was his biggest opponent.

Graydon Choinski: 6'-2'' senior forward, Graydon came on with a roar at the end of the year to prove his merit. Had he played the whole season as he did the end, he would have been a high-scoring star. As it was, he had several fine days, especially the second Avondale game.

Mike DeKane: All league, All S.O.C., Second Team, All-Suburban, Second Team All State. The above honors came to Troy's top individual star, 6'-0'' senior southpaw forward, Mike DeKane. Racking up 300 points in 18 games, he possessed a fine 19 point per game average. Highly regarded as a scorer, he was also a top-flight ball handler, defensive ball hawk, and morale booster.

Jack Acton: All-league as a junior! Such was the lot of Jack Acton. 6'-1'' forward, who was a member of the starting team for the second straight year. A defensive specialist, he also is a fine shot, both in and out court. Next year should find him in a real hey-day.

Floyd Bailey: A big, slightly rough, junior forward, Floyd split his services between the varsity and reserve teams this year. Standing 6'-2'', and still growing, he was a valuable help in rebounding. He will be a vital cog in next years plans.

Fred Burnard: Contributing a big part of the height to the championship team was 6'-4'' senior center, Fred Burnard. Fred used his size well, especially in defensive action. His scoring, while not spectacular, was steady and supported the "big guns".

Coach Peyton Goodwin: Coach attended Kendallville High School in Indiana and started his college life at Hanover, Indiana. Transferring to Cincinnati U., he received his A.B. degree there. He then came to Michigan where he got a B.S. degree from Western Michigan and his M.S. degree from U. of M. While at Western, he coached Kazoo State High, and after completing college, coached Olivet High, Milford High, and has been at Troy 5 years.

Jim Murdock: A dwarf among giants, little 5'5" Jimmy still showed more than enough talent to cinch a starting berth. The "Mighty Mite" brought crowds to their feet repeatedly with long, stirring, one hand set shots. Racking up 141 points for the season, he had his best nights at Lake Orion and the second Southfield game. Only a junior, he'll be back next year better than ever.

Rex Moore: A fine junior forward standing an even 6 feet, Rex was a good pressure player. Showing good basketball ability, he was handicapped by an overload of talent at his position. When he comes into his own next year, he should leave a definite mark.

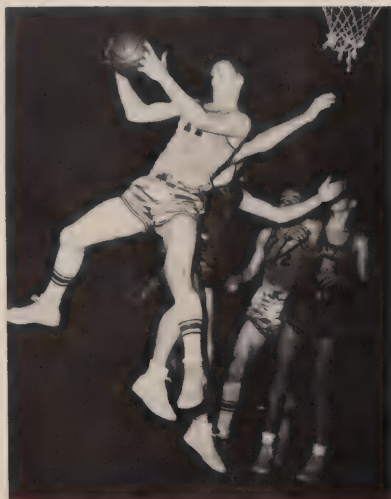

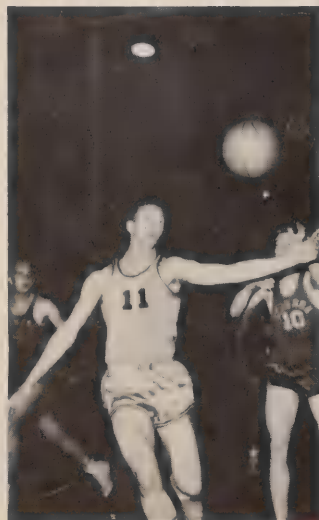

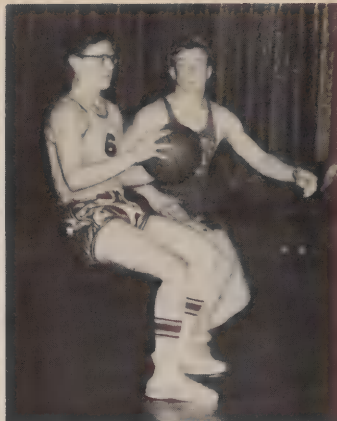

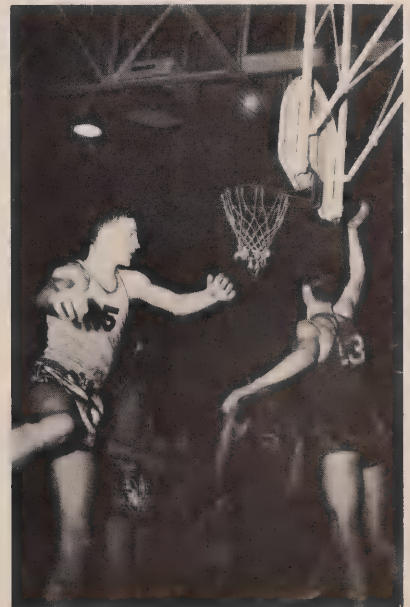

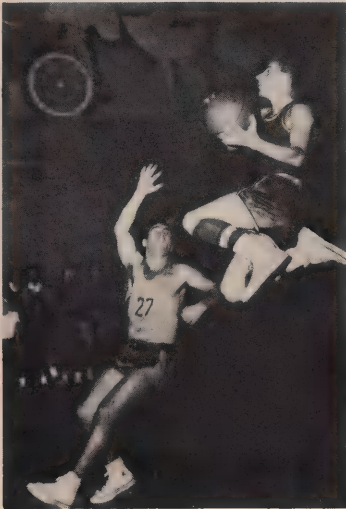

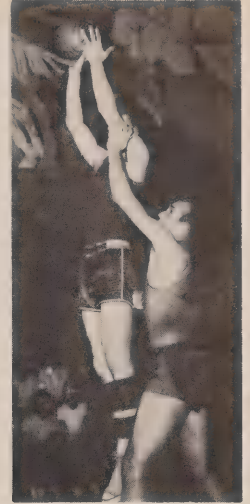

Bill Haney. Bill was a fiery spark that consistently ignited the Colts to fine performances. Always in the game when a critical point was reached, he came through with flying colors. Combining long set shots, unerring free throws, and a deadly full court press on defense, he was truly the team "spark plug."

Jerry Wyett: Jerry finally came into his own at the latter part of the season. Starting with the Roseville game, he turned in several fine performances. One bad point is he won't be back next year. The 6' 1" senior forward was a smooth and steady player.

Frank Wood: Frank was this year's small, steady man. A 5'7" senior, he patrolled his guard spot with dependable talent. One of the top set shot artists on the team, he also turned in sparkling floor play. One of the best indirect passers, he was at his best against Birmingham.

Row 2: N. Norton, G. Ruggles, J. Acton, F. Burnard, R. Cischke, D. Christian, Mr. Goodwin.
Row 1: J. Murdock, C. Green, W. Haney, R. Tizinsky, F. Wood, D. Coates.

Baseball

Troy High's 1953 baseball team had a poor season, highlighted only by Ray Cischke's "no hitter" against Fitzgerald April 28. Mr. Goodwin's Colts, led by Captain Richard Tuzinsky, look forward to a good season this year. A strong outfield and many good prospects for the infield should spell trouble for the Coalt's foes, providing Mr. Goodwin can find some substantial moundsmen to carry the load.

Golf

The 1953 season produced a championship golf team. The varsity consisted of captain Don Powell, Bill Haney, Jim Hawley and George Catto. Backing up these strong four was the reserve squad, Dale Paes, Mickey Hawley, Bonne Char, and Raymond Chickering. Along with these same boys for the 1954 season will be a new candidate, Dayton Shanahan.

Headed by Don Powell who consistently shoots in the low seventies and who was fourth in last year's regional district tournament, the team, aided by a year's experience will be out in 1954 to set a few records and retain their championship.

Among the teams they constantly overpower are Fitzgerald, Madison, Avondale, and Bloomfield.

Track

In 1953 Troy High School had a very successful season, according to Coach Hill, although they won only one meet, The '53' roster was composed almost wholly of Sophmores and Juniors, with but a few scattered Freshmen and Seniors.

The whole of Troy's 1953 power was in these two classes which means they are all returning to show their heels again. Troy enjoyed mild success in five of the six major track meets last year and hopes to repeat this year along with a few additional victories.

All of these things point to a strong 1954 campaign. Most of Troy's points should come from the middle distances and relay which is where Troy is very strong.

Fine spirit and a large turnout are expected this spring. These factors should aid greatly to Troy High's high hopes of their first Oakland "B" conference championship.

The year's varsity debator's were Rosalene Lockwood, Bill Haney, Jerry Wyett, Mike DeKane, and Don MacLennan.

Owing to its victorious season, Troy entered the Regional Elimination Debate Tournament, debating Coldwater, Melvindale, Inkster, Northville, Farmington and St. Clair, South Lake High Schools, Eliminating all of these schools, Troy was proclaimed winner of the Region Debate Finals.

At the time of publication Troy was preparing to Debate Owasso High School in the State Quarter-Finals Debate.
